DAPC members GET PROFESSIONAL PHOTO PRINTS at a discounted price.

Photography Enthusiasts of El Paso (PEEP) now operates the Epson Sureprint 7000 printer that was gifted by the Doña Ana Photography Club to PEEP a few years back. This printer is versatile and can handle various printing needs, **from 8x10 prints to 24" high x infinity wide.**

To ensure the printer's safety, PEEP has made a deal with **El Taller Fuentes, 615 Montana Ave Suite B, El Paso, TX 79902** to host it. They are experts at how to run and maintain the printer. We are experts at making awesome photos to print on it!

Now, you can take advantage of PEEP/DAPC printing services at significantly discounted prices compared to online options. The quality of the prints is also superior to what you might find at Walmart or Staples. Great quality, lower price. Fast turn around. No shipping costs. No brainer.

All prints are priced per square inch. If you're printing on the provided print papers, the cost is per square inch. You can also print on canvas, but it's slightly more expensive per square inch. If you prefer, you can bring in your own paper, but you'll still incur the per square inch charge, which is 7½ cents per sq in. (See the price guide on the next page.)

There's a $5 service charge for each order. So, logically, the more you print at once, the better the price, the more the savings!

All the proceeds, excluding the service charges, are reinvested into maintaining and servicing the printer. This hopefully will make the printer self-sustaining. None of the funds go either club per se.

How to order a print:

First, visit the El Taller Fuentes website at **www.eltallerfuentes.com/printwithus** or use the QR code. Fill in the required information and upload your files.

Next, you'll also be asked to **provide a code.** This code is exclusive to members of PEEP or DAPC and allows them to use the printer at discounted prices. The code changes every month and is always **available in the PEEPsheet newsletter** beginning with the July 2026 issue. The PEEPSheet is available at on the **Membership/Newsletters page** of our website (scroll down to the Newsletters section).

El Taller Fuentes will then match your name to the PEEP membership list, or names of verified members of DAPC. **To have us verify your membership, send an emai**l to **webmaster@daphotoclub.org**. If you're on the list and have the correct code, you'll receive the reduced pricing! It's that simple!

You can also just bring your files on a USB drive to the El Taller Fuentes but you will still need the code.

Hopefully, all of you will take advantage of this great opportunity and membership perk of being in DAPC. A sample list of prices is on the next page. Map and directions from Las Cruces are on page 3.
